A photograph of three hikers in a grassy field under a grey, overcast sky. In the center, a hiker in a red jacket and black pants stands next to a weathered stone marker. To their right, another hiker in a red jacket and black pants, wearing a backpack and holding a trekking pole, rests their hand on the stone marker. To the left, a third hiker in a dark jacket and black pants stands slightly behind. The field is green and appears to be a hillside. A fence line is visible in the distance. The text 'IAN, NORMAN, BRUCE AND JANE. BROAD MOSS' is overlaid on the right side of the image in white, bold, sans-serif font.
